RF and MICROWAVE

Crystal Oscillators – Ultra Low Phase Noise, Ultra Low Power and Ultra High Frequency, HALT/HASS Procedures for highest reliability, www.nelfc.com

Modular Drop-In Components (Amplifiers, Mixers, Multipliers, Filters, Splitters, Couplers), Rapid Prototyping Station, FREE Online Simulator and Mechanical Layout Tool, www.xmicrowave.com

POWER

Specialized Manufacturer of Custom & Standard Terminal Blocks, PC Board Blocks, Din Rail Blocks, EMI/RFI Filters, Relay Sockets, Military Filters and Military Filtered Connectors, www.curtisind.com

Thermal Interface Materials, Custom Silicone Rubber Extrusions, and Zebra Elastomeric Connectors, www.fujipoly.com

Mechatronics

DC Fans, AC Fans, Blowers and Impellers, Custom Fan Assemblies and Fan Accessories, www.mechatronics.com

Switching Power Supplies from 5 to 1000 watts (medical grade available), DC/DC Converters from 1 to 400 watts, Uninterruptible Power Supplies, AC Line Filters, Rackmount Chassis, www.tri-mag.com

INTERFACE TECHNOLOGIES

SMD and Discrete LEDs, High Power LEDs, up to 3 watts, Ultra Thin SMD Displays, www.ChromeLED.com

Desert Direct

Sheet metal fabrication, Quick turn prototypes using Flow Mach Waterjet, Custom wiring and system integration, www.desertdirect.net

PCB fabrication for military, medical and commercial applications, Multiple MIL qualifications, Space qualified, ITAR registered, Lead times from 1 day to 3 weeks, www.midwestpcb.com

Speakers, Communication Connectors, Shielded Connectors, Cable Assemblies, www.regalusa.com

PCB Assembly, Turnkey Product Assembly & Packaging, Injected Molded Plastics, Cable & Wire Harness Assembly, www.sicon.com
